

# TRIBAL CLIMATE & HEALTH ADAPTATION WEBINAR

This FREE interactive training is offered through a series of ten live webinars scheduled on the first and third Tuesdays of the month (9:00 - 10:00am PST) from August 6, 2019 through December 17, 2019.

The training will provide steps, tools, templates, case studies, and other resources that seek to streamline the adaptation planning process and make it easier for tribal health and environmental professionals to understand and address human health exposures and impacts within tribal communities. This training will summarize the latest data and literature on the exposures and impacts of climate change that may impact the health of tribal community members. It will also describe how to identify and select appropriate strategies to address these exposures and impacts.
