

# Tribal Climate and Health Adaptation Summit

July 13-14, 2022 | VIRTUAL

Final Agenda

## DAY ONE – Wednesday, July 13, 2022

8:45am | Early Log On and Tech Check

9:00am | Welcome and Overview

Attendees will be welcomed and hear an overview of Summit activities

Speakers:

- **Angie Hacker** – CEO, Principal Consultant, *Prosper Sustainably, Tribal Climate Health Project*
- **Shasta Gaughen, PhD** – Director, *Pala Environmental Department, Tribal Climate Health Project*
- **Robert Smith** – Tribal Chairman, Pala Band of Mission Indians
- **Eric Ortega** - Pala Band of Mission Indians
- **Sarina Soor** – Project Management Consultant, *Tribal Climate Health Project*

9:30am | Participant Introductions (page 16-18)

Attendees will have time to meet other attendees in small breakout groups then reflect on and share stories related to their Tribes, including their strengths and their most significant climate and health vulnerabilities.

Speakers:

- **Angie Hacker** – CEO, Principal Consultant, *Prosper Sustainably, Tribal Climate Health Project*
- **Sarina Soor** – Project Management Consultant, *Tribal Climate Health Project*
- **Magdalena Sunshine Serrano, LCSW** – Director of Behavioral Health, *Community Health Centers of the Central Coast, Inc.*
- **Elaine Miller-Karas, LCSW** – Co-Founder and Director of Innovation, *Trauma Resource Institute*

10:30am | BREAK

---

## 10:45am | Tribes, Climate Change, and Health Overview (page 19)

Tribal Climate Health Project will provide an introductory overview to how Tribes are affected by the health and other impacts of climate change.

Speakers:

- **Shasta Gaughen**
- **Angie Hacker**

## 11:45am | LUNCH BREAK

Optional networking! Come back and turn on your webcam with your lunch

## 12:45pm | Breakout 1: Exposure Roundtables (page 20)

Attendees will participate in a facilitated roundtable discussion to share their experiences with climate exposures including drought, wildfire, temperature extremes, storms and flooding, and melting ice and sea level rise.

Facilitators:

- **Angie Hacker**
- **Osamu Kumasaka** – Tribal Climate Change Program and Policy Specialist, *California Department of Public Health*
- **Laurie Monserrat** – Senior Environmental Scientist, *California Office of Environmental Health Hazard Assessment*
- **Nikki Cooley** – Co-Manager and Interim Assistant Director, *Institute for Tribal Environmental Professionals*
- **Claudia Langford Brown, MD** – Health Scientist, *Centers for Disease Control and Prevention*
- **Althea Walker** – Co-Director and Community Resilience Lead, *Climate Science Alliance*

## 1:50pm | Breakout 2: Impact Roundtables (page 20)

Attendees will participate in a facilitated roundtable discussion to share their experiences with impacts to Tribes' natural and managed lands, built environment, physical and mental health, cultural/spiritual health, and socioeconomic health.

Facilitators:

- **Angie Hacker**
- **Althea Walker**
- **Osamu Kumasaka**
- **Laurie Monserrat**
- **Nikki Cooley**
- **Claudia Langford Brown**

## 2:50pm | BREAK

## 3:00pm | Vulnerability Assessments (page 20-22)

Tribal Climate Health Project will provide brief instruction on the steps to conducting a vulnerability assessment and will guide discussion on sample Tribal vulnerability assessment reports.

### Speakers:

- **Shasta Gaughen**
- **Angie Hacker**
- **Sarina Vega** – Environmental Consultant, *Tribal Climate Health Project*

## 3:45pm | Taking Care of Self and Others [Day 1]

Attendees will end both days of training with an interactive opportunity to tend to their own hearts by participating in personal and peer reflection through the lens of psychosocial resilience and climate change.

### Speakers:

- **Magdalena Sunshine Serrano**
- **Elaine Miller-Karas**

## 4:45pm | Adjourn Day 1

## DAY TWO – Thursday, July 14, 2022

### 8:45 a.m. | Early Log On and Tech Check

### 9:00am | Health and Safety Perspectives Panel Discussion (page 26)

Representatives of State and Federal agencies will share their perspectives on key health and safety impacts and practices associated with climate change, lessons they have learned in their work with Tribes, and where to go for information and resources when considering climate vulnerabilities.

#### Speakers:

- **Angie Hacker**
- **Shasta Gaughen**
- **Osamu Kumasaka**
- **Laurie Monserrat**
- **Claudia Langford Brown**

### 10:05am | Latest Research (page 26-27)

Researchers will share recent findings that are paving the road to greater knowledge and understanding of how Tribes are affected by and addressing climate impacts.

#### Speakers:

- **Angie Hacker**
- **Shasta Gaughen**
- **Benjamin J. Hatchett, PhD** – Assistant Research Professor, *Western Regional Climate Center*
- **Dr. Karletta Chief, PhD** – Director, *Indigenous Resilience Center*; Professor & Extension Specialist, *University of Arizona*
- **Kyle Whyte, PhD** – George Willis Pack Professor, *School for Environment and Sustainability, University of Michigan*

### 11:05am | BREAK

### 11:15am | Vulnerability Data Workshop (page 27-29)

Attendees will participate in a hands-on workshop to practice finding and using climate and health data.

#### Speakers:

- **Angie Hacker**
- **Shasta Gaughen**
- **Claudia Langford Brown**
- **Sarina Vega**

## 12:15pm | LUNCH

## 1:15pm | How to Obtain \$ for Adaptation

Attendees will learn about how to successfully track and pursue relevant grant and other assistance opportunities to support adaptation planning and implementation efforts.

### Speaker:

- **Josh Simmons (remote)** – President and Founder, Principal Consultant, *Prosper Sustainably*

## 1:45pm | Getting Continued Help

Attendees will learn how to get continued help identifying and addressing Tribes' climate vulnerabilities beyond the summit.

### Speakers:

- **Angie Hacker**
- **Shasta Gaughen**
- **Nikki Cooley**
- **Benjamin J. Hatchett**
- **Althea Walker** – Co-Director and Community Resilience Lead, *Climate Science Alliance*
- **Malinda Chase** – Tribal Liaison, *Alaska Climate Adaptation Science Center*

## 2:45pm | BREAK

## 3:00pm | Taking care of self and others [Day 2] & Closing

Attendees will end both days of training with an interactive opportunity to tend to their own hearts by participating in personal and peer reflection through the lens of psychosocial resilience and climate change.

### Speakers:

- **Magdalena Sunshine Serrano**
- **Elaine Miller-Karas**
- **Angie Hacker**
- **Shasta Gaughen**

## 4:00pm | Adjourn Summit
